IT IS ORDERED that Shelby Rural Electric Cooperative Corporation ("Shelby RECC") shall file the original and 12 copies of the following information with the Commission with a copy to all parties of record no later than May 8, 1995. Shelby RECC shall furnish with each response the name of the witness who will be available to respond to questions concerning each item of information requested should a public hearing be scheduled.

1. What is the current location of Meter No. 6674? If Meter No. 6674 is no longer in service, provide the date that it was removed from service and the reason for its removal.

2. Has any maintenance been performed on Meter No. 6674 since its removal from the Carriss's property on Route 1, Waddy, Kentucky, on May 2, 1994? If so, describe the maintenance performed.

3. Provide the monthly meter readings for the past three years for the Carriss's property on Route 1, Waddy, Kentucky.

Indicate which readings were provided by the customers and which were provided by employees of Shelby RECC.

Done at Frankfort, Kentucky, this 25th day of April, 1995.
